Surrounding the iconic twelve-sided building that houses the historic Paragon Carousel, the Commemorative Brick Patio is a constant and enduring reminder of the special memories our treasured merry-go-round has helped create for generations.

Built and installed in the historic Paragon Park by the Philadelphia Toboggan Company in 1928, the Carousel is all the remains of the once-famous Paragon Park, the Nantasket Beach amusement park that closed in 1985. Throughout the years, the Carousel has touched generations with its unmatched artistry. The Commemorative Brick Patio allows visitors to read and reflect on the hundreds of inscribed messages and memories the patio holds.

Once a brick order is placed, a Certificate of Acknowledgment is created and indicates the honoree and the message that will be engraved on the brick. This certificate can be mailed to your and the person(s) being honored.

Bricks are installed in our walkway around the Carousel building in the Spring, Summer, and Fall, at designated times. Bricks ordered in the Winter months will be installed in the spring.
